

FLEXI-HEX[®]

→ **Data Sheet - Single Fold Top Box**

Overview

A square-shaped box for shipping bottles. We recommend using the Flexi-Hex Mini Sleeve for naked bottles and the Flexi-Hex Air sleeve for pre-boxed bottles.

Details

- Designed for the safe shipping of one bottle
- Fits bottles of all shapes and sizes up to a maximum of 350mm in height, including pre-boxed bottles
- Made from high-quality paper
- 100% plastic-free, kerbside recyclable, home compostable and biodegradable
- Self-sealing with crash-lock base so no tape required
- Separate layer pad which slots into bottom of box for extra protection
- Unique fold which tucks over bottles to prevent movement within the box and can be adjusted to fit wider bottles and pre-boxed bottles
- Tear strip for easy opening
- Prevents movement and reduces breakage rates through innovative engineering
- Compact to store and lightweight for cost-effective shipping and storage
- Can be customised with company branding
- An aesthetic e-commerce solution which adds brand value and improves the customer unboxing experience
- Also available in double, triple, four and six box sizes
