Hot and Cold Carry Out Containers
When your customers want it to go, we have you covered with:

- Soup and noodle containers
- Microwave safe containers
- Board containers
- Oven safe containers

Food Trays
Our creative solutions are designed to ensure freshness and security, while enhancing the presentation of your food products. Our comprehensive range can address all your needs; our design experts can offer creative solutions to prevent, for example, leaking or condensation in your products. Contact us and see how we can help make the most of your offering.

Salad Containers
We offer a range of plastic and board salad containers, easily packed and stored. Perfect for fruit and vegetable salads, pasta and rice, they are an attractive way to present your product. Choose from durable RPET, PET Plastic and high quality board, whatever works best for your requirements.

Sandwich Packaging
We offer a diverse range of cardboard, paper and plastic wedges, bags, boxes and sandwich wraps. It covers a wide selection, including sandwiches, baguettes, salads, tortilla wraps and more. We also stock a comprehensive range of compostable products for most of our food sector.

In addition, custom printing is available to help brand your product and get your message across to your customers.
Meat Trays and Films
Clarity, consistent seal integrity, along with superior puncture and abrasion-resistance, are vital when it comes to packaging meat, poultry and seafood. We have the portfolio of quality materials that will address these requirements while also cutting out unnecessary waste.

Food Wrap and Heat Sealing Equipment
We provide:
✓ Overwrappers
✓ Jaw Sealers
✓ Lidding Machines
✓ Pizza Cappers

Our stretch film overwrappers are an efficient way to pack fresh items. Perfect when you need to extend shelf life, keep perishables fresh, provide a visual of the product, reduce packaging cost, provide easily opened packages and tamper evident products.

This range is complemented by our food trays and packaging films. Our ready meals food trays come in a choice of dual-ovenable board, foil or CPET plastic, which can be custom designed to suit your specific requirements. We also stock clear trays for modified atmosphere packaging of fresh produce, delivering you a complete packaging solution.

Food Storage Labelling
Storage and allergen labels can follow ingredients all the way to prepared foods, transferring from container to container as elements are combined, so your staff is always aware when a potential allergen is present in a menu item. We have partnered with market-leaders, DayMark, to provide Allergen Labelling that is easy to use and affordable. It is the ideal way to keep your customers safe and minimise the risk of a costly prosecution.

Food Labels
Custom-printed, self-adhesive labels on rolls, perfect for your products and packaging.

Foil, Cling Film and Baking Parchment
We offer the Wrapmaster and Caterwrap range, as well as our quality own-label option.

Coffee Ancillaries and Condiments
We have what you need to make your hot drinks offering extra special. This includes traditional favourites like chocolate, specialty teas and syrups. We can also provide unique flavours, marshmallow and sauces, along with seasonal flavouring syrup such as pumpkin spice and gingerbread.

Napkins and Table Top Coverings
We are focused on delivering the best possible service and value on disposable tableware, paper goods, and consumable items used in restaurant, catering, event planning and foodservice applications.

With something for every event and business, our napkin range includes:

✓ An extensive range of economical 1-ply, 2-ply, and 3-ply napkins
✓ Non-woven napkin
✓ Cocktail, lunch, dinner and folded napkins
✓ Choice of colours, folds, durability, and softness
✓ Range of dispensers

Disposable Cutlery
Our cutlery ranges are available in economy, heavy and premium.

Our offering includes elegant, premium cutlery, available in a variety of colours to match any occasion.
Eco-friendly Range

We are committed to environmentally friendly food packaging. Made from sustainable and renewable resources, most products are also recyclable or compostable.

Our Eco-friendly range includes:
- Cups
- Lids
- Palm leaf trays, plates and bowls
- Bagasse plates, containers and lids
- Soup cups
- Salad containers
- Smoothie cups and lids
- Cutlery
- Desert and granola pots
